Join the top amateur golf teams in Utah's mountains to compete in this one-of-a-kind tournament

The Wasatch Long Day Challenge features two of Utah's top courses located at the base of the Wasatch Mountains in Heber Valley. This year the tournament will be played on Saturday, June 19, and in subsequent years on the Saturday closest to the longest day of the year. Compete in a field of 72 teams (288 players) and find out who is the best. All team members must have a USGA/UGA sanctioned handicap and meet the handicapping formula.

The tournament will begin at sunrise with 36 teams on The Gold Course at Soldier Hollow and 36 teams on The Silver Course at Soldier Hollow. Teams will continuously play all 36 holes. At the end of playing two courses - 36 holes of golf - scores will be calculated and the top 10 teams will compete in a Derby Challenge on the Silver course. The tournament will conclude when the final team reaches the 18th hole of the Silver Course.
